

Setting up Application Environment

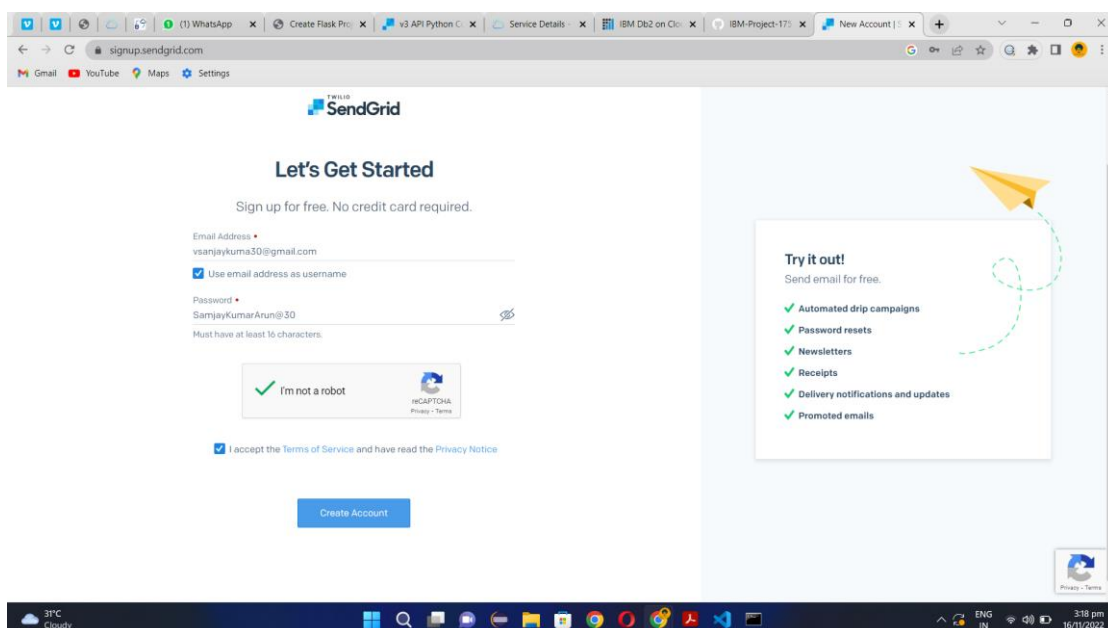

Create Sendgrid Account

Date	16 November 2022
Team ID	PNT2022TMID47412
Project Name	Skill/Job Recommender Application

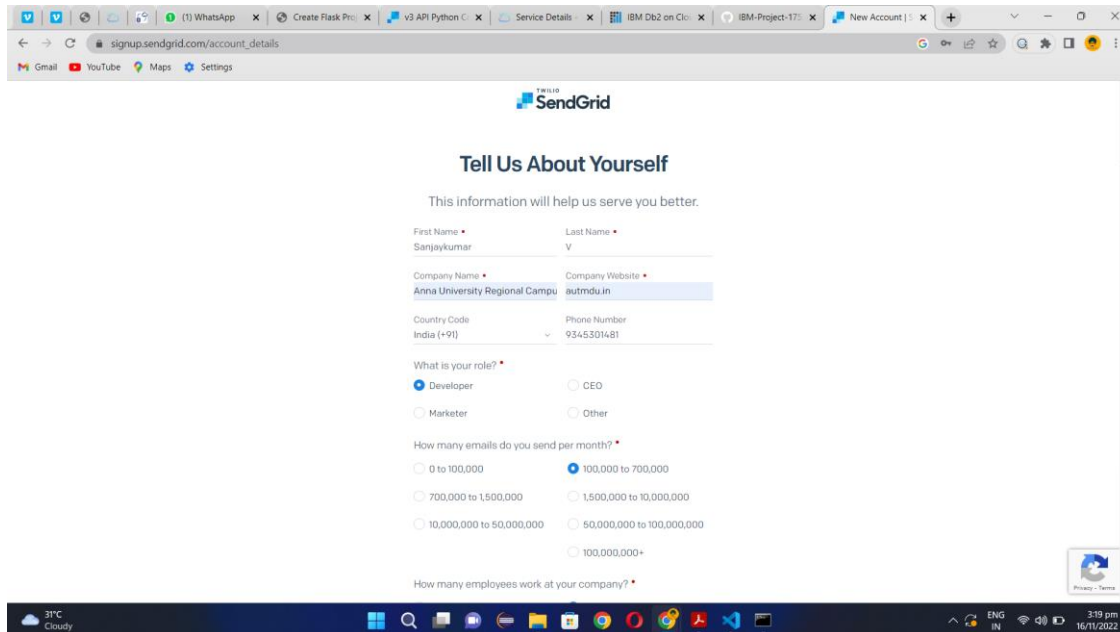

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

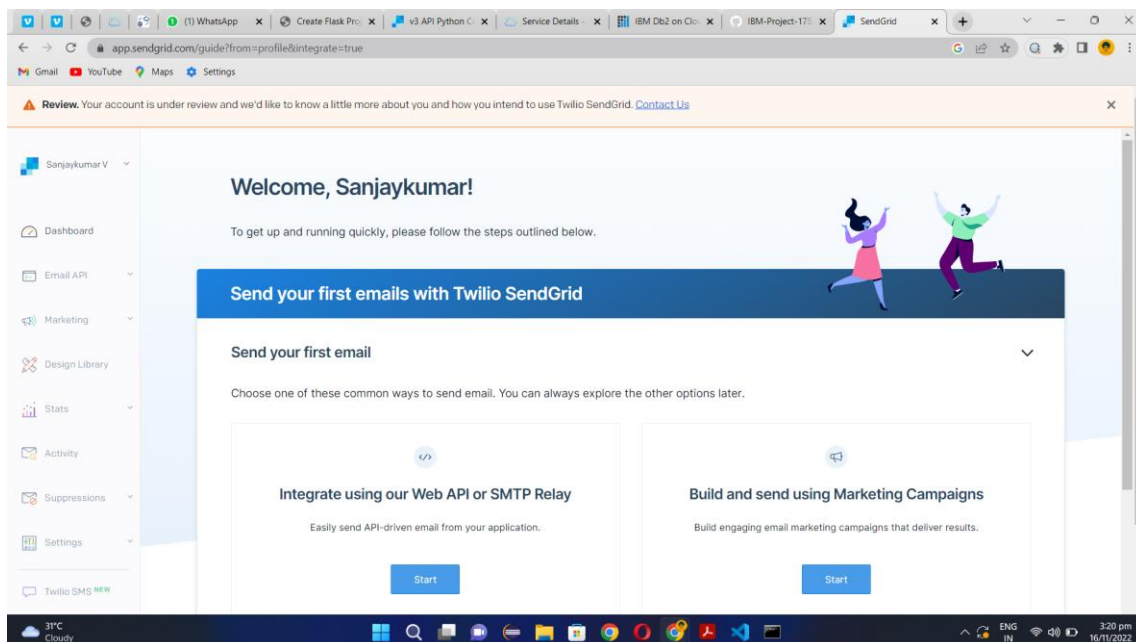

Step 3. Further fill all required details in next page and click on get started as shown below

The screenshot shows the 'Tell Us About Yourself' page on the Twilio SendGrid account setup. The page includes a header with the Twilio SendGrid logo and a sub-header 'Tell Us About Yourself' with the text 'This information will help us serve you better.' Below this, there are several form fields: 'First Name' (Sanjaykumar), 'Last Name' (V), 'Company Name' (Anna University Regional Campus), 'Company Website' (autmdu.in), 'Country Code' (India (+91)), and 'Phone Number' (9345301481). There are also radio buttons for 'What is your role?' (Developer, CEO, Marketer, Other) and 'How many emails do you send per month?' (0 to 100,000, 100,000 to 700,000, 700,000 to 1,500,000, 1,500,000 to 10,000,000, 10,000,000 to 50,000,000, 50,000,000 to 100,000,000, 100,000,000+). At the bottom, there is a field for 'How many employees work at your company?'. The page is displayed in a browser window with a Windows taskbar at the bottom.

Step 4. That's it you have created your SendGrid account and got access to dashboard

The screenshot shows the Twilio SendGrid dashboard. At the top, there is a welcome message 'Welcome, Sanjaykumar!' and a sub-header 'To get up and running quickly, please follow the steps outlined below.' Below this, there is a blue banner with the text 'Send your first emails with Twilio SendGrid'. Underneath the banner, there is a section titled 'Send your first email' with the text 'Choose one of these common ways to send email. You can always explore the other options later.' There are two main options: 'Integrate using our Web API or SMTP Relay' and 'Build and send using Marketing Campaigns'. Each option has a 'Start' button. The dashboard also features a left sidebar with navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The page is displayed in a browser window with a Windows taskbar at the bottom.

Output:

Send Grid account created successfully.
